

Bay Rim Park Condominium Association Newsletter

Spring 2024

New Board Member

The Board accepted the resignation of longtime member Rhonda Willet at the Spring meeting. Rhonda resigned for personal reasons. A new member, Kerry Emerson, was appointed to fill in for Rhonda for the balance of her term. Kerry recently moved into our community, but has been a resident of the Whatcom County area and a visitor to Birch Bay for all her life. She brings great experience into the Board having worked in banking and finance and volunteering for local non-profits.

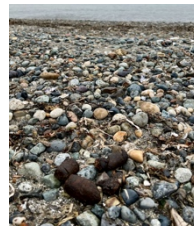

Maintenance for the Coming Year

The Board decided on the work program for the coming year. Included are siding replacement on the East wall of Oak, some roof repair on Hemlock. Inspections of the roofs and crawl spaces will be done to determine their condition and need for repairs and schedule for replacement.

Board Meeting

The next Board meeting will be April 26, 9:30 a.m. at Bay Rim. The Board will conduct its annual "walkabout." If there is something you want us to look at, let Integra know. Otherwise, if you can do some Spring cleaning between now and then, you may save us the task of sending you a reminder.

Summertime Reminders

Yes, that's dog poop on the Beach! We have a lot of dog owners and we all understand how much work it can be. Just a friendly reminder to pick

up after your pet. Please be aware that barking dogs and overly aggressive dogs may get you in trouble with the Bay Rim Park rules.

Please do not feed the local wildlife, squirrels and birds, and someone is putting vegetables out back. This causes problems when it attracts unwanted pests. We do have rats! And they enjoy those snacks as well.

Thank you to everyone who has been helping keep the Beach clean and not burning the driftwood that shows up. The Whatcom County Conservation District recommends retaining driftwood on the Beach as a protection against erosion.

If you have any issues, or a question, please contact INTEGRA Management. They will notify your Board Members of items as they are received.
