Christmas lighting and Bon Fire

Gather in the courtyard at 6:00. All units that would like to participate can decorate outside their unit. We will turn on all Christmas lights at the same time. Then bring your hot drinks, blankets, flashlights and tunes to the bonfire on the beach. Bring your willingness to meet your neighbors and have some early Holiday Season Fun

Prepare for Winter:

Here are some suggestions:

1. Vacant units, Please set unit thermostats to 50 or above, and leave cupboard, closet and bathroom doors open.
2. Maintenance will install faucet covers for all buildings. If they are removed to use the faucet, please remember to replace them.
3. Install or test your smoke detectors and a battery-operated carbon monoxide detector near the area to be heated.
4. Gather Wood for warmth.
5. Gather Candles or battery operated devices to be available in case of power outages.
6. Prepare food plan in case of home bound.
7. Create an emergency car kit.
8. Know your emergency communication plan with friends and family in case of a disaster.

**As you are cleaning
up the leaves and
debris from the
trees, Please use the
yard waste area
down the trail at the
large corner .**
